# MASTER OF SCIENCE IN MANAGEMENT

KPT (JPS)/(MQA/PA 2847) 05/18

AIMST University offers a Master of Science in Management.

The objective of the master programme is to provide graduate students the opportunity to enhance their knowledge through independent research in a selected branch of management in a discipline or a multi disciplinary field. The focused research and training in the programme will enable the graduate students to be competent in handling basic or applied research in their chosen specialities.

Participants embarking on this programme will enhance their research management skills in the areas of management studies, produce holistic individuals with wisdom and visionary thoughts in managing change within a dynamic business environment, produce graduates who can apply business theory & practice, and at the same time contribute to the larger community.

## Entry Requirements

- Bachelor's degree in related field from AIMST or other institutions recognized by the University Senate, and
- An English Certificate of IELTS/TOEFL (International applicants only).

## Mode of Study and Duration

Full-time: Min 1.5 years / Max 3 years

Part-time : Min 3 years / Max 6 years
